WORK EXPERIENCE

Associate Engineer

Tata Consultancy Services

02/2022 - 03/2023

Remote, India

Achievements

- Provided support to both the front-end and the back-end teams and creating some functionalities like Filter options, etc.
- Debugged failures, identify bugs, and update the code to fix them for smooth running of the application.
- Worked closely with the frontend team and managing the UI using Html, CSS, JavaScript, and also the responsiveness of the application.
- Collaborated with the team members for daily sprint planning and discussion.

Frontend Developer Internship

GradUp

06/2023 - 07/2023

Remote, India

Achievements/Tasks

- Implemented the Frontend User Interface of the website by using Next JS, Tailwind CSS etc.
- Integrated data from various back-end services and enhanced the user experience and maintained the responsiveness of the website.
- Gathered and refined specifications and requirements based on technical needs.
